

## Joseph A. Keane

**Vice President / Business Unit Manager  
Bahnsen Mechanical Systems**

### Value Delivered

As Vice President / Business Unit Manager of Bahnsen Mechanical Systems (BMS), Joe is responsible for the overall success of this division of Bahnsen. He directly supervises the Vice President of Contracting Operations, the Service Operations Manager, and the business development staff --- which includes sales engineers, estimators, and equipment sales personnel. Joe also works with the CEO of Bahnsen on strategic planning activities contributing to the financial success of BMS. Additionally, Joe spearheads the ongoing advancement of BMS safety culture, training and development of BMS employees, and the growth and expansion of BMS's product and service offerings including the implementation of new technologies.

### Expertise

Joe began his career with BMS in 1999 as Contracting Operations Manager in the BMS Charlotte office. Previously, Joe held positions of increasing responsibility with a construction equipment manufacturer and an electric utility.

Joe earned a Bachelor of Science in Electrical Engineering from North Carolina State University. He is a member of IEEE (Institute of Electrical and Electronics Engineers) and ASHRAE (the American Society of Heating, Refrigerating and Air-Conditioning Engineers). Joe is a registered Professional Engineer in the state of North Carolina.

### The Personal Side

Joe enjoys spending time with his wife and three daughters. His hobbies include gardening and travel; he maintains a regular fitness schedule, and remains in regular contact with his eleven siblings and their families.
